Dino Boy's Adventure

Once upon a time there was a boy whom lived in a world where most kids never get to experience. Ever since he was born, most of his mom's friends and his Aunties and uncles said that he is a magical child. His name was Dino boy. After Dino boy was done playing kick ball with his friends, his mom named Zina yelled out "Hey Dinoo it's time for your nap. Once Dino Boy got inside he went straight to the bathroom and took a long nice hot bath. After he was clean, Dino Boy went into the kitchen and ate lunch with his mom. After eating he went into the living room and laid down on the couch and eventually fell sound asleep.

Once Dino Boy woke up he went into the kitchen to get something to drink. After opening the refrigerator he thought to himself and said Hey where's my mom? So he got frightened and ran upstairs to check her room, but still no one in sight. So Dino Boy started crying and crying for hours. All of a sudden there was a knock on the door. "Knock Knock." Dino Boy opened the door and with a shocking look in his eye

he saw a small baby dinosaur. The baby dinosaur said "Hey hey don't be scared I won't harm you I'm just looking for a friend out here. Will you be my friend?" The baby dinosaur said. In a surprising look he said

"Well I can't find my mom, so yes I will be your friend." "Hey what's your name?" Dino boy asked. My name is Mango. "Ohhh just like the fruit right." Dino boy said. "Yeah just like the fruit kid." "Hey what is your name kid?" Mango said. "Well my name is Dino Boy." "Hmm well you don't look like a dinosaur, that's a funny name kid." Mango said in a laughing tone.

Well shall we hit the road I have a space ship and I want you to meet my other two friends. Well my mom told me to never leave the house but since my mommy isn't anywhere in sight, "Sure why not let's go on an adventure Mango." Just like that the two were off to Sugar Land. Once Dino Boy and Mango got into the ship Mango introduced Dino Boy to his other two super cool friend's, Okay Dino Boy meet Spinky my Alien friend, he's always in a good mood. And last but not least my super cool friend Oreos the monkey. "Hello everyone my name is Dino Boy and it's really nice to meet you all." " Hahahaha." Laughed Spinky. "Why is your name Dino Boy you're not even a dinosaur?"

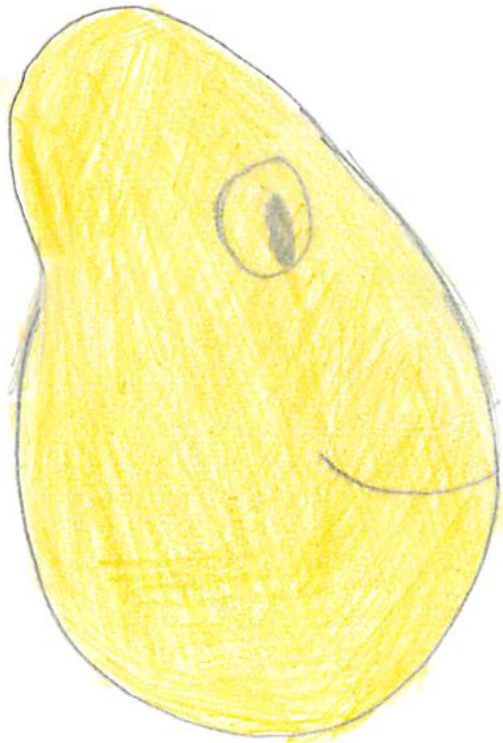

“Hey knock it off Spinky” Mango said. “Ok Ok I was just playing around with him we rarely get to have a human friend because most humans are scared of talking animals and creatures. “But Dino boy is different he’s more fascinating.” Spinky said.

“Well boss where shall we head to first on our adventure?”

Spinky asked. “We should head to Sugar Land so our buddy Dino boy can have all the candy he wants,” Mango said in an exciting voice. So the four were off to Sugar Land. The spaceship took off into outer space and was heading to the planet called Sugar Land Planet. After arriving the first one out of the spaceship was Oreo, he came running out like a charging bull and started eating all of the candy. “Sorry about that Dino Boy, Oreos sort of gets excited every time we come to Sugar Land Planet,” Mango said.

“It’s ok.” Dino said. “Oh my god everything is made out of candy!” Dino boy yelled. He ran out and started eating the poles, the street lights, the cars and everything that looks like candy! After Dino boy and Oreos were done eating the two returned to the ship and Oreos said “Hey I really like you I’ve never seen anybody that can out eat me

in candy before until I met you Dino Boy.” “Well Oreo I’ve never seen a talking monkey before who eat lots of candy instead of bananas.” Dino boy said.

The two went on board and said lets go somewhere even more fun. Mango said “Well let me see, we have one last stop I think I will take you to Animal Town.” Out of nowhere Spinky yelled out “space pirates.” They’re the most terrifying creatures ever. Once the Space pirates got close to the ship of Mango’s they said hand over everything you got. But everyone was afraid except for Dino Boy, they all made Dino Boy go out and give the Space Pirates there belongings. Once the door was opened Dino Boy started to go towards the Space Pirates ship. “Awwwwwww it’s a human lets get out of here!” Said the Space Pirates.

“Look you’re a hero Dino Boy you just saved our lives” Said Mango, Oreos and Spinky. Spinky came and approached Dino Boy and bowed down as if he was a king. “Now Dino Boy where shall we go?” Spinky asked. “Well shall we go to Animal Town?” And off the four amigos were heading towards Animal Town. After Landing the four Stepped off and said here’s all the animals and creatures you ever

see. Dino boy looked at everything with his gigantic eyes. He saw dragons, Dinosaurs, and he even pet big foot. After everything he went back to Mango, Oreo, and Spinky and said I think ‘I’m ready to go home now. I’ve seen and experienced everything that no other kid would ever do.’ But the four said “Look you’re already home just open your eyes.” Dino Boy looked at them confused, wiping his eyes. After wiping his eyes he opened them and saw himself on his couch lying down. And his mom Zina yelling “Dino Boy go get dressed it’s time for school!” But it was all just one big adventurous dream.
